

## Rugby Camp

### Camp Description:

#### **New! Rugby Camp**

**7-16 yrs / 1 wk starting Jun 24 / \$100**

Boys and girls will have fun learning and playing the fascinating international game of rugby. Ages 7-14 learn a non-contact, two-hand touch version; girls ages 14-14 and boys ages 11-16 can learn a tackle version. Both experienced and novice campers are welcome. This Olympic development style camp provides campers with basic fundamental skills and drills in a positive and safe learning environment. Rugby is a fun, fast-paced game that anyone can enjoy. The object of the game is to carry the ball over the opponents' goal line and touch the ball down to the ground. Experienced staff has years of coaching both at the touch and tackle level.

### Important Forms:

- [Participant Information Form](#) [←click to access form online](#)  
You MUST bring this form, completed and signed, with you on the first day of camp. Without this form, we cannot accept your child at camp. Please notify the Camp Director in writing of any allergies or health concerns pertinent to your child's camp experience.
- [Medication Order Form](#) [←click to access form online](#)  
Sending medication to camp is highly discouraged. But, if it is necessary for medication to be administered during the operation of the camp, a Medication Order Form must be filled out and signed by the parent. A separate form is required for each medication. All medications must be in the original container with the medication name, physician's name, dosage and expiration date.
